This project would not have been possible without the creative cooperation of Jennifer Hill-Kaucher, Ryan Mergen, Dan Waber, and most especially Zouba and Jason Rubal. I'm very grateful for their contributions and vision, and you (you!) will be too.

Special thanks to Boggsy, Vic, Alan, Ron, Jon, Christian, Hammerschmidt, Julianna, Nathan, Ann, Sue, Boyko and the whole Goddard posse for their inspiration & support over the years and for their invaluable friendship.
